The main area is a 3D virtual room with a light orange floor and purple patterned walls. A white arrow points to a "Lounge" area. There are three purple patterned rectangular tables, each with a computer monitor on top. The monitors are numbered 7, 8, and 9. Below them are three more purple patterned rectangular tables. In the center of the room, there is a small character icon labeled "Anonymous". Below the character is a red patterned rectangular table labeled "EVN User feedback" with a computer monitor on top. To the right of the "EVN User feedback" table is a blue patterned rectangular table with a rainbow flag on top and four blue chairs around it. At the bottom of the room, there is a "Back to foyer" button and a door icon. There are also some potted plants and a printer icon.

At the bottom of the screen, there is a dark blue bar with a character icon labeled "Anonymous Online", a book icon, a laptop icon, and a smiley face icon. On the right side of this bar, there is a dark blue button labeled "Anonymous" with a character icon.
