

"WURM", 26-08-2024 13:00 CEST WURMng Canteen Dw'loo

Present: Aard, Des, Marjolein

AOB[Des]: have taken on the job of documenting background to alt weighting scheme in fringe fit on "the Redmine". Clarification, potentially guided by @PaulB insights, on a policy of where to record such information would be necessary; at the moment there are many "Projects" and "wikis" but no insight as to where project-overarching information or pointers [c|sh]ould go.
